Art Unit:

Claims 1-6 are presented for examination.

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-3 are rejected under 35 U.S.C. 102 (b) as being anticipated by Chemical

Abstract 532428. The Chemical Abstract teaches the use of the claimed compounds in a pharmaceutical formulation with diuretic and saluretic activity. The above reference makes clear that the claimed composition is old and well known.

Claims 4-9 at present time are considered to be allowable.
